

### REMARKS

Claims 1 to 5, 8 to 20 and 22 to 33 are pending in the application. Claim 1 is the independent claim. Claims 6 and 7 are cancelled without prejudice. Favorable reconsideration and further examination are respectfully requested.

Applicants acknowledge the Examiner's indication that claims 6 and 18 would be allowable if rewritten in independent form including the base claim and any intervening claims. Accordingly Applicants have amended claim 1 to include the limitations of claim 6.

Applicants submit that all dependent claims now depend on allowable independent claims.

It is believed that all of the pending claims have been addressed. However, the absence of a reply to a specific rejection, issue or comment does not signify agreement with or concession of that rejection, issue or comment. In addition, because the arguments made above may not be exhaustive, there may be reasons for withdrawing the prior art cited with regards to any or all pending claims (or other claims) that have not been expressed. Finally, nothing in this paper should be construed as intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.

Applicants submit that the entire application is now in condition for allowance. Such action is respectfully requested at the Examiner's earliest convenience.

All correspondence should be directed to the address below. Applicants' attorney can be reached by telephone at (781) 401-9988 ext. 123.

Enclosed is a Petition for a Two-Month Extension of Time and electronic fee. No other fee is believed to be due for this Response; however, if any fees are due, please apply such fees to Deposit Account No. 50-0845 referencing Attorney Docket: WELLT-014PUS.

Respectfully submitted,

Date: 26 June 2009
